

PRESS RELEASE
Stockholm, August 2, 2017

Auriant Mining AB (publ.) announces the refinancing of its existing loans

Auriant Mining AB (publ.) announced on 2nd August 2017 that it had successfully refinanced its loans with VTB. The Company's previous loan provider, PSB, has been repaid in full. The new loan is for 5 years with a reduced principal repayment schedule in the first 2 years. Also the interest rate is 1.7 % lower which will produce an annual saving of \$ 600,000.

The Board would like to thank PSB for its support in the past and look forward to working with VTB.

VTB is the third largest bank in the Russian Federation, operating nationwide in both retail and corporate sectors.

Auriant Mining AB (AUR) is a Swedish junior mining company focused on gold exploration and production in Russia, primarily in Zabaikalye and the Republics of Khakassia and Tyva. The company has currently four assets, including two operating mines (Tardan and Solcocon), one early stage exploration asset and one development asset.

Since July 19, 2010, Auriant Mining's shares are traded on First North Premier at the NASDAQ OMX Nordic Exchange under the short name AUR. For more information please visit www.auriant.com. Mangold Fondkommission is Certified Adviser to Auriant, for more information please call +46 8 503 015 50 or visit www.mangold.se.

This information is information that Auriant Mining AB is obliged to make public pursuant to the EU Market Abuse Regulation. The information was submitted for publication, through the agency of the contact persons set out above, at 11:00 CET on August 2nd, 2017.

Cautionary Statement: Statements and assumptions made in this report with respect to Auriant Mining AB's ("AUR") current plans, estimates, strategies and beliefs, and other statements that are not historical facts, are forward-looking statements about the future performance of AUR. Forward-looking statements include, but are not limited to, those using words such as "may", "might", "seeks", "expects", "anticipates", "estimates", "believes", "projects", "plans", "strategy", "forecast" and similar expressions. These statements reflect management's expectations and assumptions in light of currently available information. They are subject to a number of risks and uncertainties, including, but not limited to, (i) changes in the economic, regulatory and political environments in the countries where AUR operates; (ii) changes relating to the geological information available in respect of the various projects undertaken; (iii) AUR's continued ability to secure enough financing to carry on its operations as a going concern; (iv) the success of its potential joint ventures and alliances, if any; (v) exchange rates, particularly between the Russian rouble and the U.S. dollar. In the light of the many risks and uncertainties surrounding any gold production and exploration company at an early stage of its development, the actual results could differ materially from those presented and forecast in this report. AUR assumes no unconditional obligation to immediately update any such statements and/or forecasts

This press release shall not, directly or indirectly, be released, published or distributed in or to the United States, Australia, Japan, Canada, New Zealand, Hong Kong, South Africa or other country where such action as a whole or in part is subject to legal restrictions. Nothing in this press release should be considered as an offer to invest or otherwise trade in shares of Auriant Mining AB (publ). The proposed issue will not be directed at residents or those living in the United States, Australia, Japan, Canada, New Zealand, Hong Kong, South Africa or other country where such action would require further prospectus, other offering documentation, registration or other measures beyond those required by Swedish law. No securities will be registered under the United States Securities Act of 1933, a similar law in any state in the United States, or under any provincial law in Canada, nor under the applicable law of another country.
