1. Election of the chairman of the meeting

The nomination committee proposes that chairman of the board Peter Daresbury or the person proposed by the nomination committee, if he has an impediment to attend, is elected chairman of the annual general meeting.

8. Resolution on the number of board members, deputies and auditors

The nomination committee proposes that the board shall consist of four (4) members with one (1) deputy board member and that the number of auditors shall be one (1) without any deputy auditor.

9. Resolution on remuneration to the board of directors, deputy, and the auditor

The nomination committee proposes that the remuneration to the chairman of the board shall be SEK 400,000 and SEK 250,000 to each of the other ordinary board members and to the deputy board member. If any committee is established by the board, it is proposed that remuneration to each member of the committee shall be paid in the amount of SEK 25,000 per annum for participation. The maximum amount of remuneration payable to the board, including remuneration for work in committees, is SEK 1,725,000.

The nomination committee proposes that the auditor's fees be approved in line with agreement between the Company and the auditor.

10. Election of board members and deputies

13. Resolution on the principles of appointment of the nomination committee and instruction for the nomination committee.

It is proposed by the nomination committee that it shall consist of the chairman of the board and three other members, each appointed by one of the three owners with the largest number of voting rights. The selection of the three largest shareholders shall be made on the basis of the share register of the company kept by Euroclear Sweden AB as of the last banking day in September. However, if it becomes known to the company that two or more of the largest shareholders are controlled by the same physical person(s) (or the same physical person(s) holds shares in the company both directly and through a company controlled by him), then all such shareholders shall be considered to comprise one shareholder for the purposes of the participation in the Nomination Committee. At the earliest convenient date after the end of September, the Chairman of the Board shall contact the three shareholders with the largest number of voting rights, as determined above, and request that they each appoint a member to the nomination committee. If any of the three shareholders with the largest number of voting rights decline their right to appoint a member to the Nomination Committee, the shareholder with the next largest number of voting rights shall be provided with the opportunity to appoint a member. If such shareholder also declines its right to appoint a member to the nomination committee or does not respond to the request within a reasonable time, then the nomination committee shall be constituted by the remaining members. Unless the Nomination Committee members decide otherwise, the Chairman of the Nomination Committee shall be the member appointed by the shareholder with the largest number of voting rights in the company. If a member leaves the Nomination Committee before its work is completed, and if the Nomination Committee considers that there is a need to replace this member, then the Nomination Committee shall appoint a new member.

The nomination committee proposes that the Instruction for the Nomination Committee approved at the Annual General Meeting on 19 May 2020 shall remain unchanged.

PROPOSALS BY THE BOARD OF DIRECTORS

2. Election of one or two persons to attest the minutes of the meeting

The board of directors proposes that Per Åhlgren (representing GoMobile Nu AB) and Maria Carrasco, or the person or persons proposed by the board of directors if one or both of them have an impediment to attend, are elected to approve the minutes together with the chairman.

The task of approving the minutes also includes verifying the voting list and that the advance votes received are correctly stated in the minutes of the annual general meeting.

3. Preparation and approval of the voting list

The voting list proposed for approval is the voting list drawn up by the Company, based on the Annual General Meeting's share register and advance votes received, as verified and recommended by the persons approving the minutes.

7 b) Resolution on allocation regarding the Company's profit/loss in accordance with the adopted balance sheet

The board of directors and the managing director propose that the Company's non-restricted equity of SEK -210,293,867 is carried forward and that no dividend is paid for the financial year.

14. Resolution on approval of loan facility from shareholder

The board of directors proposes that the annual general meeting approves a loan facility to the Company from the shareholder GoMobile Nu AB, who is a related party, in accordance with the following main terms and conditions. The loan facility is of material nature and shall, in accordance with the Swedish Securities Council's statement 2019:25 regarding related party transactions, be addressed at a general meeting.

The Company has entered into a conditional loan commitment agreement with GoMobile Nu AB. The agreement is conditional in such way that its validity is subject to approval by the general meeting of the Company. Subject to the annual general meeting's approval, the Company will be provided with a loan facility of up to SEK 9,400,000. The loan facility will be available during the period between 10 May 2022 and 9 May 2023 (the commitment period). The Company will have the right to draw funds in one or more tranches during the commitment period. On any amount drawn the Company shall pay an annual interest of 6.5 percent, and a stand-by fee of 1,5 percent per annum is payable on any undrawn amount of the loan facility during the commitment period. The Company is entitled to end the commitment period anytime. Repayment of drawn amounts must take place no later than 10 May 2023, which therefore is the due date. On the due date, the said interest and stand-by fee shall also be paid.

GoMobile Nu AB owns approximately 23 percent of the shares and holds approximately 23 percent of the votes in the Company.

GoMobile Nu AB's shares and votes shall not be considered when resolving upon this item on the agenda.

The board of directors' proposal has been published separately on the Company's website as well.

15. Resolution on authorisation for the board of directors to resolve upon issue of shares

The board of directors proposes that the Annual General Meeting authorises the board to resolve – at one or several occasions and for the time period until the next annual general

meeting – to increase the Company’s share capital by new share issues, to the extent that it corresponds to a dilution of not more than 20 percent of the number of shares outstanding at the time of this notice of the Annual General Meeting, after full exercise of the hereby proposed authorisation.

New share issues may be made with or without deviation from the shareholders’ preferential rights and with or without provisions for contribution in kind, set-off or other conditions. Pursuant to Chapter 16 of the Swedish Companies Act, the board of directors may not by virtue of this authorisation resolve on issues to board members in Group companies, employees, etc. The purpose of the authorisation is to increase the financial flexibility of the Company and the acting scope of the board. Should the board of directors resolve on an issue with deviation from the shareholder’s preferential rights, the reason shall be to enable the Company to finance the operations in a fast and efficient way, acquire companies, businesses or parts thereof, or to broaden the ownership of the Company. Upon such deviation from the shareholders’ preferential rights, the new issue shall be made at market terms and conditions.

The board of directors or the CEO shall have the right to make such minor adjustments in this resolution that may be necessary in connection with the registration of the authorisation with the Swedish Companies Registration Office.

Majority requirements

Resolution in accordance with item 14 above requires approval of at least two thirds (2/3) of the shares represented and votes cast at the general meeting.
