### **17. Incentive program for members of executive management and other employees - employee stock options and warrants 2015/2020 series I.**

The board proposes that the Annual General Meeting establishes an incentive program to a number of employees of the Group.

The reason for the proposal and the deviation from the shareholders' preferential rights is the following. The board of directors has found it both a pressing matter and in the interests of all shareholders to increase the responsibility and create a greater participatory interest for the members of the management and other key employees of the Group as regards the Company's and its subsidiaries' development and to ensure that these important employees share the goal of generating profitable and value creating growth. It is furthermore pressing to motivate continued employment in the Group. Based on this background the board of directors proposes the following incentive scheme, which is presented below.

The offer shall be addressed to 15 people.

The persons invited to participate in the program shall be divided into two groups as follows:

Group 1, members of the management

CEO, Denis Alexandrov, will be offered 120,000 employee stock options

CFO, Sergey Ustimenko, will be offered 90,000 employee stock options

Head of HR, Sergey Shumilov, will be offered 90,000 employee stock options

Acting Chief Operating Officer, Sergey Baikarov, will be offered 90,000 employee stock options

Chief Geologist, Igor Pashkov, will be offered 70,000 employee stock options

Group General Counsel, Ekaterina Babaeva, will be offered 90,000 employee stock options

Group 2, other key employees

Anton Glazunov will be offered 35,000 employee stock options; Alexander

Zabolotsky will be offered 30,000 employee stock options; Vladimir Churin, Anatoly

Petrenko, Alexander Fedotov, Elena Babkina, Marina Makarova, Oksana Novoselova

will be offered 10,000 employee stock options per person; and Ekaterina Popova will

be offered 5,000 employee stock options.

The participants of the program will be offered to, free of charge, acquire employee stock options. Each employee stock option carries the right for the holder to purchase one (1) share in the Company. Each share shall be transferred at a price equal to average closing market price of the Company's shares during the twenty (20) trading days preceding 12 May 2015 (the date of Annual General Meeting) but not less than the quotient value of the share. The employee stock options may be used until 12 May 2020 with the right for the holder of the employee stock options to call upon the warrant right from the date of vesting and until 12 May 2020.

The employee stock options are not transferrable other than to a legal person appointed by the person participating in the incentive program and which is controlled by him or for which he is the ultimate beneficial owner. Full use of the employee stock options requires that the person in question remains employed by the Group until such time when all employee stock options granted to such person have been vested. One third of the granted employee stock options will be vested on 12 May 2016, one third on 12 May 2017 and the final third on 12 May 2018.

It is suggested that the scope of the program shall not exceed 680,000 employee stock options.

In order to secure that the Company can fulfill its obligations to deliver shares when a holder of the employee stock options wishes to subscribe for them, it is proposed by the Board to the Annual General Meeting to approve the issue of maximum 680,000 warrants and to approve that they be further transferred as follows. The right to subscribe for warrants shall, with deviation from the preferential rights of the shareholders belong to the wholly owned subsidiary LLC "Auriant Management" for transfer (i) directly to the abovementioned persons participating in the program or such legal person as the respective individual may appoint and which is controlled by

him or of which he is the ultimate beneficial owner and (ii) to another wholly owned subsidiary of the Company and thereafter to persons mentioned above. Subscription for warrants shall be possible to be made latest on 30 June 2015. The warrants shall be issued free of charge and shall also be transferred in accordance with the above provisions free of charge. Each warrant gives the right to subscribe for one (1) share in the Company, each with a quotient value of app. SEK 0.1125. Subscription for shares through exercise of warrants for subscription shall be possible to make from the date of registration with the Companies Registration Office until 12 May 2020.

Subscription for shares shall be made at a strike price per share equal to average market closing price of the Company's shares during the twenty (20) trading days preceding 12 May 2015 (the date of Annual General Meeting), but not less than the quotient value of the share. At full use of the warrants the Company's share capital may be increased by no more than app. SEK 76,500.

The proposal is conditioned upon a decision by the Annual General Meeting, in accordance with item 16 on the agenda, to reduce the share capital and adopt new articles of association in accordance therewith.

The reason for deviation from the shareholders' preferential rights is to implement the incentive program mentioned above.

## **PROPOSALS FROM SHAREHOLDERS**

### ***18. Resolution on issue of convertibles 2015/2018.***

Shareholders representing 52.32 % of the shares and votes in the company proposes that the Annual General Meeting resolves that the company via setoff raise a convertible loan in a nominal amount not exceeding USD 20,000,000 through a private placement in respect of no more than 45,078,664 convertibles, entailing an increase in the share capital of not more than SEK 5,450,759 at full conversion whereof SEK 5,071,347 relates to conversion of the nominal amount of the convertibles and SEK 379,412 relates to potential conversion of interest. The proposal is conditioned upon a decision by the Annual General Meeting, in accordance with item 16 on the agenda, to reduce the share capital and adopt new articles of association in accordance therewith.

The right to subscribe for the convertibles shall vest in Golden Impala Limited. The reason for deviating from the shareholders' pre-emption rights is to improve the financial position of the company, through a refinancing of existing loans from Golden Impala Limited.

The nominal amount of the convertible shall be app. USD 0.444 (20 000 000 ÷ 45,078,664) or multiples thereof. The loan carries an annual interest rate of two (2) per cent. The subscription price for the convertibles shall be equal to the nominal amount of the convertibles.

Subscription shall take place within three weeks of the date of the resolution to issue convertibles. Payment for the convertibles subscribed for shall be made through setoff within four weeks of the time of subscription. The board of directors shall be entitled to extend the subscription period and the time for payment.

Conversion into shares may take place during the period commencing from the date of registration at the Swedish Companies Registration Office of the resolution regarding the issue up to and including December 31st 2018 at a conversion price of SEK 3.7002 per share. Conversion shall take place at an exchange rate of SEK 8.34 per USD 1.

***19. Resolution on the incentive program for the members of the board - stock options and warrants 2015/2020 series II.***

The Company has been successful in recruiting Non-Executive Directors who are highly qualified and experienced. For a company the size of Auriant to be able to attract such quality individuals, a key factor has been the potential offering of warrants. Furthermore, this method of reward will save cash for the Company that, as a growing junior mining company, has limited free cash flow and thus, is not in a position to offer higher Board fees or synthetic stocks to Board members. The ownership of these warrants will also align the interest of the Non-Executive Directors to those of the shareholders. It should also be noted that in the world mining industry, share options are widely used for motivation of board members. Hence a shareholder representing 52.32% of the shares and votes in the Company proposes the incentive scheme, which is presented below.

The offer shall be addressed to the following members of the Board who are proposed for re-election, namely Andre Bekker, Peter Daresbury, and Ingmar Haga.

The extent of the program is proposed to be no more than 170,000 stock options, where Peter Daresbury will be offered 70,000 stock options and Andre Bekker and Ingmar Haga will be offered 50,000 stock options each.

The participants of the program shall be offered to, free of charge, acquire stock options. Each stock option carries the right for the holder to purchase one (1) share in the Company. Each share shall be transferred at a price per share equal to average closing market price of the Company's shares during the twenty (20) trading days preceding 12 May 2015 (the date of Annual General Meeting) but not less than the quotient value of the share. The stock options may be used until 12 May 2020 with the right for the holder of the stock options to call upon the warrant right from the date of vesting and until 12 May 2020.

The stock options are not transferrable other than to a legal person appointed by the person participating in the incentive program and which is controlled by him or for which he is the ultimate beneficial owner. Full use of the stock options requires that the person in question remains a member of the Board of Directors of the Company until such time when all stock options granted to such person have been vested. One third of the granted stock options will be vested on 12 May 2016, one third on 12 May 2017 and the final third on 12 May 2018.

In order to secure that the Company can fulfill its obligations to deliver shares when a holder of the Stock Options wishes to subscribe for them, it is proposed by the shareholder to the Annual General Meeting to approve the issue of maximum 170,000 warrants and to approve that they be further transferred as follows.

The right to subscribe for warrants shall, with deviation from the preferential rights of the shareholders belong to the wholly owned subsidiary LLC "Auriant

Management” for transfer (i) directly to Andre Bekker, Peter Daresbury and Ingmar Haga or such legal person as the respective individual may appoint and which is controlled by him or of which he is the ultimate beneficial owner and (ii) to another wholly owned subsidiary of the Company and thereafter to persons mentioned above. Subscription for the warrants shall be made latest on 30 June 2015. The warrants shall be issued free of charge and shall also be transferred in accordance with the above provisions free of charge. Each warrant gives the right to subscribe for one (1) share in the Company, each with a quotient value of app. SEK 0.1125. Subscription for shares through exercise of warrants for subscription shall be possible to make from the date of registration of the warrants with the Companies Registration Office until 12 May 2020. Subscription for shares shall be made at a strike price per share equal to the average market closing price of the Company’s shares during the twenty (20) trading days preceding 12 May 2015 (the date of Annual General Meeting), but not less than the quotient value of the share. At full use of the warrants the Company’s share capital may be increased by no more than app. SEK 19,125.

The proposal is conditioned upon a decision by the Annual General Meeting, in accordance with item 16 on the agenda, to reduce the share capital and adopt new articles of association in accordance therewith.

The reason for the deviation from the preferential rights of the shareholders is to implement the stock option program described above.
